

EventsXD App

Turning the Tide Festival uses a free app called **EventsXD** to reduce paper waste and minimize environmental impact.

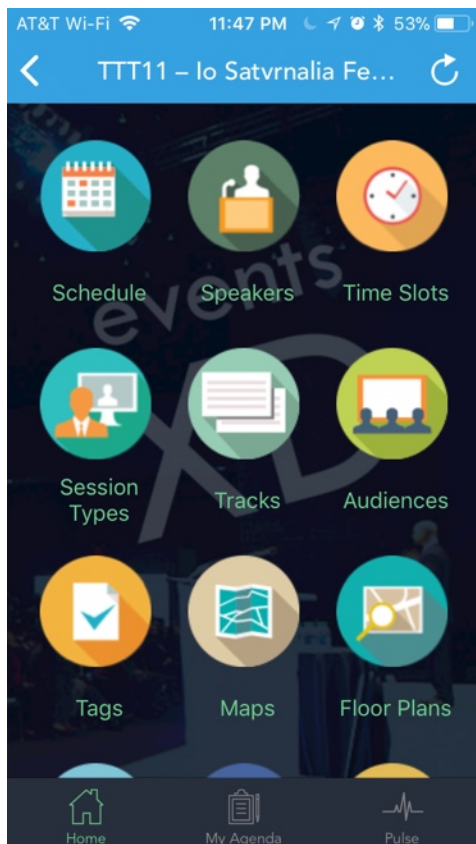

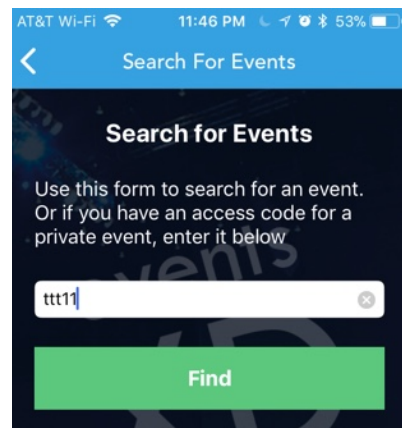

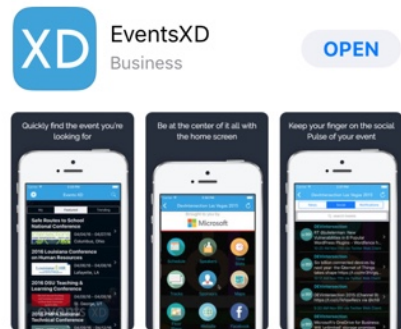

For users who do not have access to a smart phone, printed schedules are available in the Great Hall throughout the weekend.

1. EventsXD App is available for Android Phone/Tablet, iOS/iPad, Windows Phone/Tablet. Go to the online app store for your platform. Search for “EventsXD”.

2. After downloading the app, open it. Sign up to create a new user account with an email address, or reset password if you used app last year and you forgot it.

Password must be at least 8 characters long, with at least 1 special character (such as @ # ! %), and 1 capitalized letter.

3. When you have successfully logged in, click the search button and type in: **TTT11** and it will locate our festival info.

Press the reload icon every so often, so you have all the latest updates. Small but important details and info changes will be pushed out all weekend.

Schedule icon lists all activities and times. Chants for certain rituals are found in descriptions. Pagan caroling lyrics can be downloaded as PDF.

Please talk to Aequitas for any technical questions, or call/text him at 305-804-1772.

The “My Agenda” tab allows you to plan your customized experience by Starring / Unstarring the schedule sessions you are interested in.
